

**“Rotationally Raised”, a video series by the Practical Farmers of Iowa.**

A series of twelve videos has been released by the Practical Farmers of Iowa. Many aspects of growing and marketing small grains (including oats) in rotation with corn and soy in Iowa are discussed:

- 1) [Small grains: A Revival](#)
- 2) [Freedom from Inputs](#)
- 3) [What to Plant, Where and Why](#)
- 4) [Planting I: Calibrate to Populate](#)
- 5) [Planting II: Seed to Soil](#)
- 6) [Crop Protection: Growth Stages, Fertilizers and Fungicides](#)
- 7) [Harvest: When and How](#)
- 8) [Post-Harvest: Handling and Storage](#)
- 9) [Markets: Challenges and Opportunities](#)
- 10) [Livestock I: Feeding Small Grains](#)
- 11) [Livestock II: Grazing Summer-seeded Cover Crop Mixes](#)
- 12) [Small Grains in the Corn Belt: A Sustainable Supply Chain](#)
