

Request for rust samples from the Cereal Disease Lab, USDA-ARS

Hi All,

Could you please send your latest cereal rust observations, surveys, or reports? The survey reports you have generously provided are included in our bulletin and posted in the [Cereal Rust Situation](#).

Please let me know if you need self-addressed stamped and sample envelopes.

As always, we are grateful for your timely observations, comments, and reports.

Thank you all.

Oluseyi Fajolu, Ph.D.
