

Keeping the Oat Community Connected

This past summer (August, 2022), members of the oat community were invited to take part in a survey concerning the [Oat Newsletter](#), the “[Speaking of Oats...](#)” (“SOO...”) webinar series, and [Oat Global](#). The results from the survey can be found [here](#). Some of the results were discussed during the September “SOO...” webinar, which can be viewed [on YouTube](#) or [here](#).

There will also be a presentation concerning our communication platforms at the International Oat Conference in Perth, Australia, this month. A list of these platforms can be found [here](#).

We are taking all of your feedback under consideration. Please don't hesitate to reach out with more comments and ideas! You can contact us at oatnewsletter@gmail.com.

Thank you very much for all of your input!

-Charlene Wight, Pablo Olivera Firpo, and Annie Harvieux - October, 2022.
