

## International Oat Conference

10th – 13th October 2022  
Perth, Western Australia

### Offer of student presentation bursaries

Thanks to the strong support of our sponsors and partners, the OAT2022 organisers are pleased to offer a number of early career participant bursaries for postgraduate student presenters or post-doctoral fellow presenters at the International Oat Conference in Perth Australia, 10-13 October 2022.

- Option 1a. Postgraduate student presenter bursary- free conference attendance (Includes field day, welcome reception, conference program and conference dinner). Value AUD\$1,100.
- Option 1b. Postgraduate student virtual presenter bursary- free full virtual conference attendance/access - Value AUD\$495.
- Option 2a. Post-doctoral presenter bursary- 50% discount conference attendance (Includes field day, welcome reception, conference program and conference dinner). Value AUD\$550.
- Option 2b. Post-doctoral virtual presenter bursary- 50% discount full virtual conference attendance/access - Value AUD\$250

To qualify for consideration by the OAT2022 program committee:

- email [admin@giwa.org.au](mailto:admin@giwa.org.au), indicate your host university, the paper or poster title you will present and your nominated participation (in-person or virtual) by 20 July.

- your abstract needs to have been received prior to 20 July 2022 (which includes previously submitted abstracts)

In the event that the round is oversubscribed, priority will be given to postgraduate students applicants, at the discretion of the Program Committee. All applicants will be advised of the outcome by email in early August 2022 and successful applicants will be invited to register using a bursary code (or be refunded as appropriate if already registered).

For full registration details and requirements or further program information, please visit [www.internationaloat.com/](http://www.internationaloat.com/).

### **Reminder: FINAL Call for Abstracts - OAT2022**

A diverse and highly engaging program is developing thanks to an excellent response to the initial abstract call, currently we have 75 in-person and virtual contributing presenters from over 20 countries. The three day conference program will comprise seven plenary sessions, covering the breadth of invited and contributed oat science and industry technology, with further depth through a number of concurrent paper sessions.

We encourage further abstract submissions to add to the program's breadth and depth. **Closing date for the Call for Abstracts is Wednesday, 20 July 2022.**

For more details and to access the templates visit [www.internationaloat.com](http://www.internationaloat.com). Abstracts of a scientific research nature, and those of a more narrative style from other parts of the oat and health sectors, are both welcome and will be considered for inclusion in the Program.
