

Review Article: The many benefits of grasses include publications, barley sandwiches, and horse feed.

Kenneth C. Armstrong

Eastern Cereal and Oilseed Research Centre, Agriculture and Agri-Food Canada, Ottawa, ON K1A 0C6, Canada

A collage of scientific publications, photographs of research activities, and personal photos of Kenneth C. Armstrong and his colleagues. Publications include 'Karyotypic Models for the A and B Genomes of Wheat', 'Genome Relationships in Bromus erectus', and 'Detection of Rye DNA in Wheat-Rye Hybrids'. Photos show researchers in a greenhouse, at a conference, and in a field.
